UKQOF	20.00	5.00	13/08/2026 9:15AM	Not paid
YHRGD	25.00	5.00	13/08/2026 4:07PM	Not paid
	111.00	25.00		

\$60 out of \$70,000

has been redeemed so far in the myToddMall program.

Please note: **Prior to transaction**

When a customer visits the store and produces a myTodd Mall discount voucher (as shown above), the Merchant will enter the code and the transaction value details, using the Merchant Dashboard (see image on previous page).

All active myTodd Mall discounts will be **Orange** in colour. Each redeemable voucher has a unique 5 digit code (see above image). myTodd Mall discount vouchers that have already been redeemed will grey out (see above image).

Step 2: Redeem voucher

Enter the 5-digit code, the transaction value, and then click 'Redeem'.

Please note: Left is an example of a successfully redeemed myTodd Mall discount voucher. Right is an example of an unsuccessful transaction of the myTodd Mall discount voucher.

If a customer provides a 5-digit code and, after entering into the Merchant Dashboard, you do not see a success message, please do not honour this discount.

Alice Springs Town Council will not be held responsible for discounts provided to customers prior to checking and validating them on the Merchant Dashboard.

\$60 out of \$70,000
has been redeemed so far in the myToddMall program.

All successfully redeemed myTodd Mall discounts can be viewed on the Merchant Dashboard.

If you wish to generate a report for a specific period, (i.e. to export data to Excel as a CSV file), select a start date and an end date, to specify the period you wish to generate the report for, and then click 'Export data'.

Council will review and analyse redeemed vouchers submitted by merchants via the Merchant Dashboard.

Once approved, Council will prepare and issue invoices to merchants, along with a supporting list of approved redemptions.

Council will make a rebate payment in the next scheduled fortnightly payment run, using the bank details that you supplied in your merchant registration.
